

ESAMI

MASTER OF PROCUREMENT AND SUPPLY CHAIN MANAGEMENT

ADVANCE YOUR CAREER WITH ESAMI | www.esami-africa.org

PROGRAMME OBJECTIVE AND STRUCTURE

Structure

The evening Master of Procurement and Supply Chain Management is specifically designed for managers from public, private sectors, NGO's and civil society. Such executives will have full time job responsibilities and cannot afford to attend an advanced management education on full time basis. ESAMI recognises that Managers of businesses and other institutions are faced with many complex situations in which they must make policy and strategic decisions. These decisions require a comprehensive and well researched set of information. In turn, such information must be generated by academic and professional experts who are keen to contribute their understanding to existing stock of knowledge. As countries engage in national, regional and international businesses, the countries require higher level managers with requisite capacity to negotiate better agreements and effectively implement signed agreements.

Mode of Study

Classes run in the evenings from 5.00pm to 10.00pm for two-three weeks in every two to two and a half months, for a period of 2 years. The Business School also conducts Global classes that attract students from across Africa and are delivered virtually.

The evening class MBA Programme is offered in various countries. These venues are Arusha, Dar es Salaam and Dodoma, Tanzania; Nairobi, Kenya; Kampala, Uganda; Lusaka, Zambia; Lilongwe and Blantyre, Malawi; Harare, Zimbabwe; Windhoek in Namibia; Mbabane, Eswatini; Maputo, Mozambique and Mahe, Seychelles.
